

BERGSON & EATON

SPECIALISTS IN WINDOWS, DOORS, CONSERVATORIES & ORANGERIES

INFINITY
WINDOW AND DOOR COLLECTION

THE ULTIMATE TIMBER ALTERNATIVE

Infinity is the most stylish, advanced and high-performing timber-alternative window and door range currently available in the UK market. Faithfully replicating traditional timber with all the benefits of Composite PVC, no more painting, and great thermal performance. All Infinity windows are A+ rated for energy efficiency and conform to British Standard PAS24 and Secure By Design. During rigorous testing the products achieved the highest weather ratings achievable. The cutting edge manufacturing technology gives Infinity the smoothest corner joints for ultimate style and good looks.

What's more, Infinity offers unparalleled choice for individual design choices. 26 Colour combinations are available, three distinctly different sash types, and an extensive range of handles, accessories and glazing on the Infinity door range. Whatever the style and character of your home, we can make an Infinity product to suit.

All Infinity products come covered by our comprehensive **10-Year Manufacturing Guarantee** – including locks, handles, profiles, laminates, and all other components used in the finished product.

Our installation teams are fully employed by Bergson and Eaton, so when we come to the installation of your windows and doors this is carried out with minimum fuss and disruption, but with maximum expertise.

At Bergson & Eaton we never leave a job unfinished. We will always leave your home and garden clean and tidy after each day of work at your property. Once the installation is complete we will arrange a Final Inspection to review the work and check for anything that remains to be done or which requires further attention. Once all this is completed, you will be asked to sign off the installation. We hope this brochure gives you plenty of inspiration for your next home improvement project – and if you'd like any more information, please don't hesitate to give Bergson & Eaton a call.

INFINITY WINDOW AND DOOR COLLECTION

When it comes to selecting the best products to enhance and protect your home, you want to be sure you're making the right choice. Beautiful, stylish, expertly made, our Infinity Window and Door Collection made up of uPVC Flush, Sculptured and Chamfered Sash windows and doors strike the perfect balance between energy efficiency, security and design.

A RANGE SUPERIOR TO ANY OTHER

Easy to maintain, energy efficient and boasting an innovative smooth corner weld design that lets you make a distinct style statement, the Infinity Window and Door Collection is the revolutionary new choice for all homeowners that wish to install uPVC windows and doors.

The Infinity Window and Door Collection is manufactured using high quality Infinity profiles for the highest level of both energy efficiency and strength. Infinity doesn't just offer great technical features though; even the corner joints look like those on timber windows, creating a smooth joint rather than the ugly corner welds typically featured on uPVC window frames.

F

FLUSH SASH

Flush casement windows are characterised by openers that close into the frame and finish flush with the face of the window to replicate timber style windows.

S

SCULPTURED SASH

Sculptured Sash windows feature outward opening sashes, which stand proud of the face of the window frame and are the more typical style found in houses today.

C

CHAMFERED SASH

Similar to the Sculptured Sash window, the Chamfered features outward opening sashes, which stand proud of the face of the window frame and looks sharp yet subtle.

SUPERB ENERGY RATINGS

Super Efficient
Compared with aluminium or wood, uPVC windows are low maintenance, have better insulation values and are able to reduce energy and heating costs.

Sound-Proof
Glazing options to maximise energy efficiency and/or sound proofing.

Safe and Secure
For total peace of mind, our Infinity Flush Sash windows come with multi-point locking as standard.

SUPERIOR PERFORMANCE

SECURITY

There's no compromise when it comes to security. The bespoke locking keep has a useful night vent locking position and also helps to achieve enhanced security accreditation PAS24, a British Standard all of our Infinity products have achieved. The bespoke locking keep has a useful night vent locking position, ensuring it meets the enhanced security accreditation, PAS24, a British Standard met by all our Infinity products.

Our wide range of modern, contemporary and period style windows incorporate the latest built-in safety features, including internal glazing beads and multi point locking systems.

To provide enhanced resistance to forced entry our windows can be fitted with a hinge protector device between the frame and the sash opener. Anti-bump, anti-snap key locking cylinders can be installed on all our Infinity doors to further enhance their security.

PERFORMANCE

To keep out the wind and rain we use our patented high performance, multifunctional weatherseals. The airtight seal this creates helps to maintain your comfort inside your home.

The Flush Sash dual seal is exceptionally watertight, with the added benefit of concealing any hardware. Any water that has found its way inside is quickly evacuated due to the intelligently designed integral drainage gutter.

CONSERVATION

Our Infinity Flush, Sculptured and Chamfered Sash windows look great in any surrounding, from country cottages to modern townhouses. Their subtle charm and elegance will transform your home.

If you live in a Conservation Area, home improvements such as replacing your windows and doors will require planning consent as there are strict guidelines to ensure that architectural features are preserved.

We have designed the Infinity Window and Door Collection with this in mind; replicating the appearance and style of traditional timber windows with features such as our authentic Wood Grain Finish, Monkey Tail Handles and Georgian Bar options. However, you should always obtain consent from a planning/conservation officer before proceeding with an installation.

INFINITY DOOR COLLECTION

OUTSTANDING INSULATION

With its unique high performance weatherseal and clever internal design, the Infinity door collection provides superb thermal insulation and sound proofing (with the correct glazing configuration). Designed for compliance with Building Regulations, the Infinity Window and Door Collection offers long lasting benefits.

PROTECTION FROM ROGUE ELEMENTS

It's not just the weathering properties that make the Infinity Window and Door Collection an excellent choice. Its core design is compatible with the latest security specific hardware, making it a truly robust proposition to deter any game intruder. For peace of mind the complete system comes fully accredited to PAS24, the enhanced security standard.

SECURITY

Your family is your world and protecting them is an instinctive part of our nature. Protecting our material possessions is also important, so its good to know feeling safe and secure in our homes is as simple as choosing the right doors and windows. Our superior build quality combined with high security hardware gives you that peace of mind. Every effort has been made to ensure your new windows and doors keep both your home secure and any undesirable element out.

THE SLIDER24 IS THE ONLY

Avantis, the leading global manufacturer of high security products are so confident that the latest products will beat any burglar that if any Infinity French or Residential Door security component fails resulting in damage or loss Avantis promise to:

- A. Pay up to £1000 home insurance excess**
- B. Pay up to £1000 towards the repair or replacement product**
- C. Send you a £1000 cheque to compensate you for the disruption**

The Avantis Locking system provides a formidable and effective deterrent against unwanted intruders to your property or home and come with an unrivalled comprehensive **10 Year Security and Mechanical Performance Guarantee** to ensure total reliability and complete peace of mind.

INFINITY COMPOSITE DOOR

ACCESSORIES

A fine selection of beautiful accessories to perfectly complement your choice of door. Whether modern or traditional you will find an accessory to really make your door stand out.

COMPOSITE DOORS

Manufactured using high quality door panels, the durable composite core is popular among homeowners looking for excellent thermal and sound insulation, as well as superior security.

GRP COMPOSITE DOORS

GRP composite doors give you the stunning appearance of timber but are maintenance free. With Secured-by-Design locks and a tough fibreglass exterior, this is one of the most resilient and weatherproof composite doors on the market! The complete system comes fully accredited to PAS24, the enhanced security standard.

THERMALLY EFFICIENT GLASS DECORATION WITH ADDED PERFORMANCE

As energy costs continue to rise, choosing a door that keeps in the heat and keeps out the cold is now more important than ever – and composite doors are the most energy efficient on the market today. The performance of the door is achieved by a combination of the latest technologies which include the glass elements.

COLOUR

Enhance your door with a dash of colour or a luxurious woodgrain finish and create something truly individual. We offer the market's largest range of colours and finishes and can even offer you the option of a different colour inside and out.

GLAZING STYLES

We offer our doors in a variety of glazing configurations, so whether you are looking for high levels of light, a more secure environment or you are wanting to replicate an existing door, we should have the style you need.

INFINITY TEARDROP HANDLE

Unique cranked design provides good clearance between the handle and the window.

A unique, traditionally designed teardrop handle that fits perfectly with the Infinity Window and Door Collection.

The Teardrop handle grip has been ergonomically designed to fit perfectly in the palm of your hand. Due to its twist on the classic handle shape it is suitable for all our Infinity styles, most rooms and most interior schemes, you just need to choose the best colour option for you.

As well as Antique Black, this hardware boasts Fab & Fix's unique and patented Hardex finish in chrome, graphite and gold.

TRADITIONAL PEG STAYS

Matching traditional peg stays are available to create a perfectly matching Infinity window. Available in Antique Black, Hardex Chrome, Hardex Graphite and Hardex Gold.

* Only dummy peg stays can be fitted with the Flush Sash option

INFINITY MONKEY TAIL HANDLE

Matching monkey tail dummy stay also available to create a perfect suite.

Elegant design inspired by 19th century ironmongery, our monkey tail handle gives a classic finish to our Infinity Window and Door Collection.

Manufactured from die-cast zinc with a specially formulated finish, it is suitable for all our Infinity styles, most rooms and most interior schemes, you just need to choose the best colour option for you.

As well as Antique Black, this hardware boasts Fab & Fix's unique and patented Hardex finish in chrome, graphite and gold.

TRADITIONAL PEG STAYS

Matching traditional peg stays are perfectly suited to our Infinity windows. Available in Antique Black, Hardex Chrome, Hardex Graphite and Hardex Gold.

* Only dummy peg stays can be fitted with the Flush Sash option

About Bergson & Eaton

We are a family run business and have been installing Windows, Doors, Conservatories and Orangeries for over 40 years in Buckinghamshire. With over 20,000 customers, 85% of our new work comes from recommendations from satisfied customers.

Our 12,000 sq. feet showroom and offices are equipped to show the widest selection of windows and doors, and we only use very best premium products in the UK market today.

Design Service

At Bergson & Eaton we work together with you during the design process, giving you creative input to help create outstanding designs, both individual and stylish. We will arrange an initial visit with our sales consultant who will take you through the products, identifying what would be most appropriate for your home. We would also encourage you to visit our showroom, its all part of our free design and quotation service.

Survey

We will arrange a visit from our qualified surveyor in order to take detailed measurements and discuss finer details of

your windows and doors, whether they are French doors, Patio doors or Bi-folding doors. Once the survey has been completed our surveyor will liaise with our Order Processing department. They will then contact you to finalise the designs and book a suitable installation appointment.

Installation

Our installation teams are fully employed by Bergson and Eaton, so when we come to the installation of your windows and doors this is carried out with minimum fuss and disruption, but with maximum expertise. At Bergson & Eaton we never leave a job unfinished. We will always leave your home and garden clean and tidy after each day of work at your property. Once the installation is complete we will arrange a 'Final Inspection', review the work and check for anything that remains to be done or which requires further attention. Once all this is completed, you will be asked to 'sign off' the installation.

10 Year Guarantee

We offer all of our customers complete peace of mind with our full and comprehensive 10 Year Guarantee, covering all of the frames, glazing and general workmanship.
